MoveOn, Action United and Neighborhood Networks
will assemble at the Northwest Corner of City Hall at 11:45am on Wednesday 2 November and march to Senator Pat Toomey's office at noon to insist that Cat Food Commission II plans to impoverish American citizens and reduce us all to the days of Charles Dickens' London be dropped immediately.

Toomey "is a major proponent of massive cuts to social security, medicare and medicaid and thinks he can bamboozle us into thinking that what's good for Wall St. is good for the rest of us. Let's tell him we're not fooled!"
